

## **Manufacturer's Warranty Information**

HBI, Inc. guarantees that our products are free of defects in material and workmanship and are manufactured in accordance to our company's quality control standards. All data, recommendations and statements made herein are based on information we believe to be reliable and are made without any guarantee or warranty of accuracy. Our products are sold on the condition that the user will evaluate them, as well as our recommendations, to determine suitability for the users own purpose before using. Liability under any condition is limited to the replacement of material only.

When applied as directed according to manufacturer's specifications and instructions, Nyalic® will not crack, fade or peel. The longevity of the product is based on the condition and type of substrate to which it is applied. Nyalic® will protect most metal surfaces for up to ten years, fiberglass surfaces for up to two years and porous surfaces for up to three years. When used as directed, if Nyalic® fails to meet your expectations for any reason during the first year of application, simply return the unused portion of the product to HBI along with your original invoice for a full refund. If during the first five years of application on most metals (one year on fiberglass & two years on porous substrates) Nyalic® fails to meet your expectations, HBI will provide additional Nyalic® as required to re-coat at no additional charge. HBI reserves the right to investigate application procedures and inspect the surfaces to which Nyalic® has been applied. Under no circumstances is HBI ever responsible for the misuse of Nyalic®, which includes the failure to follow the manufacturer's directions. **HBI EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES NOT INCLUDED HEREIN, INCLUDING IMPLIED WARRANTIES OF FITNESS AND MERCHANTABILITY. UNDER NO CIRCUMSTANCES IS HBI LIABLE FOR ANY CONSEQUENTIAL DAMAGES ARISING FROM THE USE OR MISUSE OF NYALIC®. HBI IS NOT RESPONSIBLE FOR ANY LABOR ISSUES INVOLVED WITH USING NYALIC®.**
